

County Cllr. B Spratt – Annual Report 2012

County Council hopes to go ahead with Northern Distributor Road; my suggestion of sponsorship on Norfolk roundabouts should raise £120,000.

I have managed to obtain £500,000 extra for road surfacing work; the Council Tax will be frozen again for the third year in succession.

Savings of a further £44 million have got be found in the future; plans to upgrade broadband in rural areas.

Bev Spratt
